Become an NWRI Corporate Associate. Your company will become an NWRI Corporate Associate when you choose the "Gold" sponsorship at \$5,000.

The NWRI Corporate Associates Program is designed to address problems and promote advancements in our industry by encouraging collaboration and information exchange between NWRI's corporate partners, the water and wastewater utilities that serve as NWRI Member Agencies, and colleagues in the water industry.

Support from our Corporate Associates has been instrumental in expanding the number of graduate students we fund each year through our NWRI Fellowship Program.
